

RETROSPECTIVE		
TEAM MEMBERS	QUESTION	
AI and Gabi	What went well in the project	Great teamwork :) Did a good job covering the topic Structured the presentation well, Slides looked great Did a good job showing how we might use Cloud Computing in our fields Kept up with our policies and stand ups
	What could be improved	Could have practiced the presentation more Could have tried to have more experience using the cloud before the presentation
	What will we commit to improve in the next project	Practicing presentation more, having written-out/printed-out notes to refer to when presenting on my computer (AI)
